Nomination Template for Commission Chair Elect 2013-2014

	2008; 3. Commentator for “Italia Oggi”, national business, legal and political daily published out of Milan.
Positions in FIG - current - previous	<ul style="list-style-type: none">• for Italy since 2006, member of Commission no. 8 since 2007• Idem
Other activities in FIG	Local Director of FIG Working Week Rome 2012; Participation in the meetings of Commissions no. 3 and 7
Field of surveying discipline	Preparation of building designs, leader of projects for territorial planning and development, land registry work, technical and legal advice on property, property valuation.
Nominees statement	
Why I want to be a Commission Chair and what I would like to achieve	I would do my utmost to raise awareness of and disseminate the matters handled by Commission no. 3. I would form working groups to carry out research, studies and proposals for understanding factors related to the development of various regions of the world. I would look at the positive aspects of the best systems for territorial development and land management, identify any factors that create problems in the various regions of the country. I would expand the number of participants involved.
What I can offer to FIG in support of the aims and objectives of the Commission	I would offer the other members my knowledge of the subject matters treated by the commission, as well as my technical and organizational experience in order to share to the greatest extent possible the programming and planning culture in protection of the environment and for sustainable development. Based on my experience, I would prepare guidelines and models synthesizing the work of the entire Commission.
My key skills	I am committed to maintaining the high scientific and cultural quality of the Commission’s work. I would make participation in work spontaneous by fostering interested and enthusiastic participation
Any other general comments	I receive, listen and give responses, especially with regard to the proposals of young people, the needs of members from the weakest economic situations, and innovative proposals.
